

DISCLOSURE OF MATERIAL ADVERSE FACTS

I am a Wisconsin real estate licensee. Wisconsin law, per Wis. Stat. § 452.133 and Wis. Admin. Code § REEB 24.07(2), requires real estate licensees to make prompt written disclosure of material adverse facts to buyers and sellers. In other words, the law requires that I disclose to you in writing any material adverse facts of which I am aware and that you do not know or could not discover through reasonably vigilant observation.

This disclosure pertains to the real property located at: Approx. 38.89ac. State HWY 53
Trego, WI 54888, in the Township of Brooklyn,
County of Washburn, Wisconsin (the "Property").

An adverse fact is a condition or occurrence that is generally recognized by a competent real estate licensee as significantly and adversely affecting the value of the Property, significantly reducing the structural integrity of the Property, or presenting a significant health risk to the Property's occupants. An adverse fact also includes information that indicates that a party is not able or does not intend to fulfill his or her contractual obligations under the offer to purchase or other contract.

An adverse fact is material if a party indicates that it is significant to that party, or if a competent real estate licensee would generally recognize it as significant to a reasonable party, such that it would affect the party's decision to enter into a contract, such as an offer to purchase, or the party's decision regarding the terms and conditions of such a contract.

As a Wisconsin real estate licensee, I am required by law to disclose the following material adverse fact(s) of which I am aware: 1. The permit for the driveway/connection to Hwy 53 is in the
incorrect location. Per the WI DOT Access Management Coordinator, the permits are
not transferrable with the property and the new buyer will have to apply for a new
permit to use the access. Upon new permit application being filed by new buyer,
the Access Coordinator will correct the location.
